# Country Preferences

Please list preferred countries in rank order, keeping in mind minimum and maximum delegation size as listed on the Country Assignment List for Harvard National Model United Nations Latin America 2020. Be sure that the countries listed are compatible with the numbers given earlier. Please rank no more than two countries from the Security Council.

7

**THIS PART OF THE APPLICATION IS EXTREMELY IMPORTANT.** Please refer to the **Country Assignment Lists** posted on the website under **Conference Materials** to see the minimum and maximum delegation sizes per country. At least one delegate **MUST** be placed on each committee assigned to a delegation. **No delegation will be assigned a country which has a minimum number of slots higher than the number of delegates attending.** Meaning, if you only have 3 members in your delegation, you will not be assigned a country that must fill at least 4 slots. You must rank at least 10 countries/positions for your application to be considered complete.

8

**This year, HNMUN-LA will not have separate applications for the Specialized Agencies.** Therefore, if you or your delegation **only** wishes to rank within the **Specialized Agencies** (see list on last page), please **write position preferences in the slots.** You can see the positions available on the University Country Assignments List, and will appear within MUNBase.

Please select 10 countries

1	Vice-President of Indigenous Relations	×
2	Chief Information Officer	×
3	Vic	×
4	Vice President of Mexico	
5	Vice President of the United States	
	Vice-President of Africa, Asia, and the Pacific	
6	Vice-President of Agriculture	

These are all positions listed for the United Fruit Company Board of Directors, 1954. If you wish to apply to/express interest in more than one SA, rank positions for different committees.

If you or your delegation wishes to apply to **both** the Specialized Agencies and regular committees (GA and ECOSOC), **please only write country preferences and specify your Specialized Agency preferences in the "Application Questions" tab.** If you **do not** wish to apply to the Specialized Agencies, **only rank country positions.**

Please select 10 countries

1	France	×
2	Guatemala	×
3	Peru	×
4	Dominican Republic	×
5	Ecuador	×
6	Argentina	×

Do not forget to consult the Country Assignment Lists on the website – they are your best resource to determine which countries are best for your delegation size and committee preferences

# Application Questions

Please answer the following questions with 3-10 complete sentences.

**“Question 1:** Explain your country preferences. What is most important for you in the choice of a country (e.g. maximizing number of delegates, representation on Specialized Agencies, etc)? What is more important to you– the number of delegates that you have requested or the country preferences that you have listed? Does the number of delegates that you have requested include potential application-only positions?”

## 9 For this question, it is very important that you:

- 1) **Specify** whether or not you want/need positions in **Spanish-speaking committees**, and **how many spots** you would need.
- 2) Whether or not you want positions in the **Specialized Agencies**, and, if so, which committees you prefer, and how many spots you would need. **(Please note that if you do not indicate your interest in the Specialized Agencies here, we will not consider you or your delegation for positions within those committees).**
- 3) Write **why** you ranked the countries or positions that you ranked based on the criteria listed.
- 4) Disregard the last sentence of the question, as there are no application-only positions in this conference.

## 10

**“Question 2:** Is there a type of country or region of the world in which you are particularly interested?”

**“Question 3:** Please describe the model UN program at your school (relevant courses, number of hours per week, etc.). Also describe your previous experience with Harvard National Model United Nations Latin America 2020 and other model UN conferences (countries represented, awards won, etc.). If you do not have a model UN program, please describe the group that will be attending Harvard National Model United Nations Latin America 2020 and any relevant experience”

Fill out the rest of the questions to the best of your ability, keeping in mind that this will help Secretariat decide how to best allocate you and your team.

## Review Application

Before you submit, please review your application.

11

After completing the application questions, you will be prompted to review your application before submitting. **Please check the following:**

- > Is all my basic information **accurate**, and **updated**?
- > Did I request the right amount of **double delegations**, number of **students**, and number of **advisor(s)**?
- > Did I place my **Country Preferences** checking with the **Country Assignments List** relevant for my school level? (NOTE: The maximum number of spots for any country in a college-level committee is 4 (5 for high school). If you have a delegation larger than that, your delegation will be assigned to multiple countries).
- > Did I specify in my application whether or not and, if so, **how many positions I'd need for Spanish-speaking committees and the Specialized Agencies**?

12

> Once you submit your application, you must also pay the **\$50 registration fee before the deadline** in order for registration to be considered complete and to have your MUNBase account activated. **See the "Fees and Payment" section on our website (hnmunla.org) to see how payment options work.**

> All accepted delegations will be assigned countries **after** the relevant deadline and **after the \$80 delegate fee has been completed for all participants in the delegation.** The Head Delegate/Advisor can assign delegates to committees available based on the assigned countries. **See our "Timeline" page on our website to keep track of relevant deadlines for registration**
